       ABSN Applicant (printed name and rank)

I am applying for admission to the Texas Tech University Health Sciences Center (TTUHSC) Accelerated BSN (ABSN) Program _____________ which will allow me to complete all degree requirements to earn a Bachelor of Science in Nursing (BSN) in a continuous 12-month period. The awarding of a BSN will allow me to take the NCLEX-RN licensing exam to become a RN. The ABSN Program admits only one time/year; beginning with the spring term in January and ending at completion of the fall term in December. It is desirable for Reservists to complete the annual two-weeks training either prior to beginning of the ABSN Program or during scheduled ABSN Program breaks. The Reserve's weekend trainings can be completed during the school year. Upon admittance to the Program, it is the ABSN student’s responsibility to meet all ABSN course requirements, complete clinical hours, and any required Reserve training hours.
