The purpose of the School of Nursing Exam Benchmarking Usage Policy is to hardwire the usage of qualitative data to assist in evaluating curricula. TTUHSC School of Nursing will utilize external benchmarking examinations during the course of students’ progression.

The OP will be reviewed biennially by September 1 of each even numbered year (ENY) by the applicable Associate Dean/Department Chair, with recommendations for revisions forwarded to the Dean of the School of Nursing.

Second Degree BSN Program:

- Benchmarking exams for pre-licensure student shall be given in a proctored setting in accordance with TTUHSC Testing Policy and Procedure OP 30.285.
- Benchmarking exams shall be given at key times as designated per curricula.
- Specific guidelines on how to use the exams and complementary study material for the benchmarking guidelines are unique to each program and the associated guidelines for each program shall be used accordingly.

Courses utilizing benchmarking exams shall be no less than 15% of the course grade. Benchmarking exam scores will be used in the exam calculation for passing the course.

Students who miss a benchmarking exam due to participation in a university sponsored event shall provide documentation to faculty at least 48 hours in advance of the exam and are eligible to make up the exam. Other absences are at the discretion of the course facilitator.

In an effort to streamline class material delivery to ensure students know where benchmarking material is placed within courses, the following material will be standardized per program’s specifications:
1. Wording in syllabus
2. Grade book column headings
3. Guideline criteria to include specific activities and grading
